

DC DEPARTMENT OF PARKS & RECREATION

2010 ADULT ENVIRONMENTAL URBAN LIVING CLASSES

URBAN BEEKEEPING

February 22nd, March 1st, 8th and 15th
Sherwood Recreation Center

6:30pm-9:00pm
640 10th St. NE

Toni Burnham, DC's own beekeeper extraordinaire will be teaching the basics of urban beekeeping in this four session series. Upon completion of the class students are encouraged to volunteer at one of DPR's bee hives. (Pre-registration required at Kelly.melsted@dc.gov)

BIRD AND BUTTERFLY URBAN GARDENS

April 3rd
Upshur Recreation Center

9:00am- 12:00pm
4300 Arkansas Ave. NW

Join District Department of the Environment (DDOE) and DPR as we work on a typical DC forest understory slope. We will remove non-native invasive plants and plant a native community to the slope.

NATIVE GARDENS FOR ROW HOMES

May 15th
Francis Park

9:00am-12:00pm
2400 N St. NW

Design and plant a model front yard for the typical DC row home with plant expert, Karen Mullen. Learn helpful information to develop your own native plant yard.

UNIQUE DC HABITATS: POTOMAC GORGE

June 5th
Palisades Community Center

9:00am-12:00pm
693 Otis Place, NW

Discover the special environment of the Potomac Gorge with nature and wildlife specialists from the area. We will be planning River Oats on a full sun slope overlooking the gorge.

UNIQUE DC HABITATS: MAGNOLIA BOG

September 4th
Douglass Community Center

9:00am-10:00am
Frederick Douglass Ct & Stanton Terrace SE

Discover a Magnolia Bog within the city. We will be planting a native garden and learn backyard container gardening tips.
